

NURSERY

Summer is messy,
Summer is fun,
Trips to the beach,
In the hot, hot Sun,
Let's give summer,
A big fat cheer!
Summer is the best time of the year.

Dear Parents,

As we welcome the much-awaited summer vacation, it brings with it a wonderful opportunity for our little ones to relax, explore, and rejuvenate. It is also a perfect time for children to learn beyond the classroom — to discover, create, and grow both physically and mentally.

To keep the spark of learning alive during the holidays, we have prepared engaging and colorful worksheets for your child as part of their Summer Holiday Homework. These have been thoughtfully designed to make learning enjoyable and meaningful.

Instructions:

We have sent the worksheets as printed pages. Kindly get them spirally bound to form a neat and attractive Holiday Homework booklet.

The completed spiral-bound homework must be submitted on the first day after the vacation.

We encourage you to help your child make it colorful and creative so that they enjoy the process while learning

Let this summer be a blend of fun, learning, and discovery. Along with these worksheets, take time to involve your child in daily activities, explore nature, read books, play games, and most importantly, create beautiful memories together.

Wishing you a joyful and safe summer break!
